

CHS Life Centre

Building for Life

CHS Response: Sept 2017

We are continuing the journey together

CHS Life Centre is being designed to provide:

- **A safe and welcoming “home”** which brings people together to address our many kinds of brokenness
- **A resourcing “harbour”** to empower and equip communities to extend hope and compassionate action and
- **A linking “hub”** to connect and work alongside those with a similar call and passion

Growing sense of urgency to build on what God has already done & extend for generations to come

Why build a Life Centre?

Experience & Listening

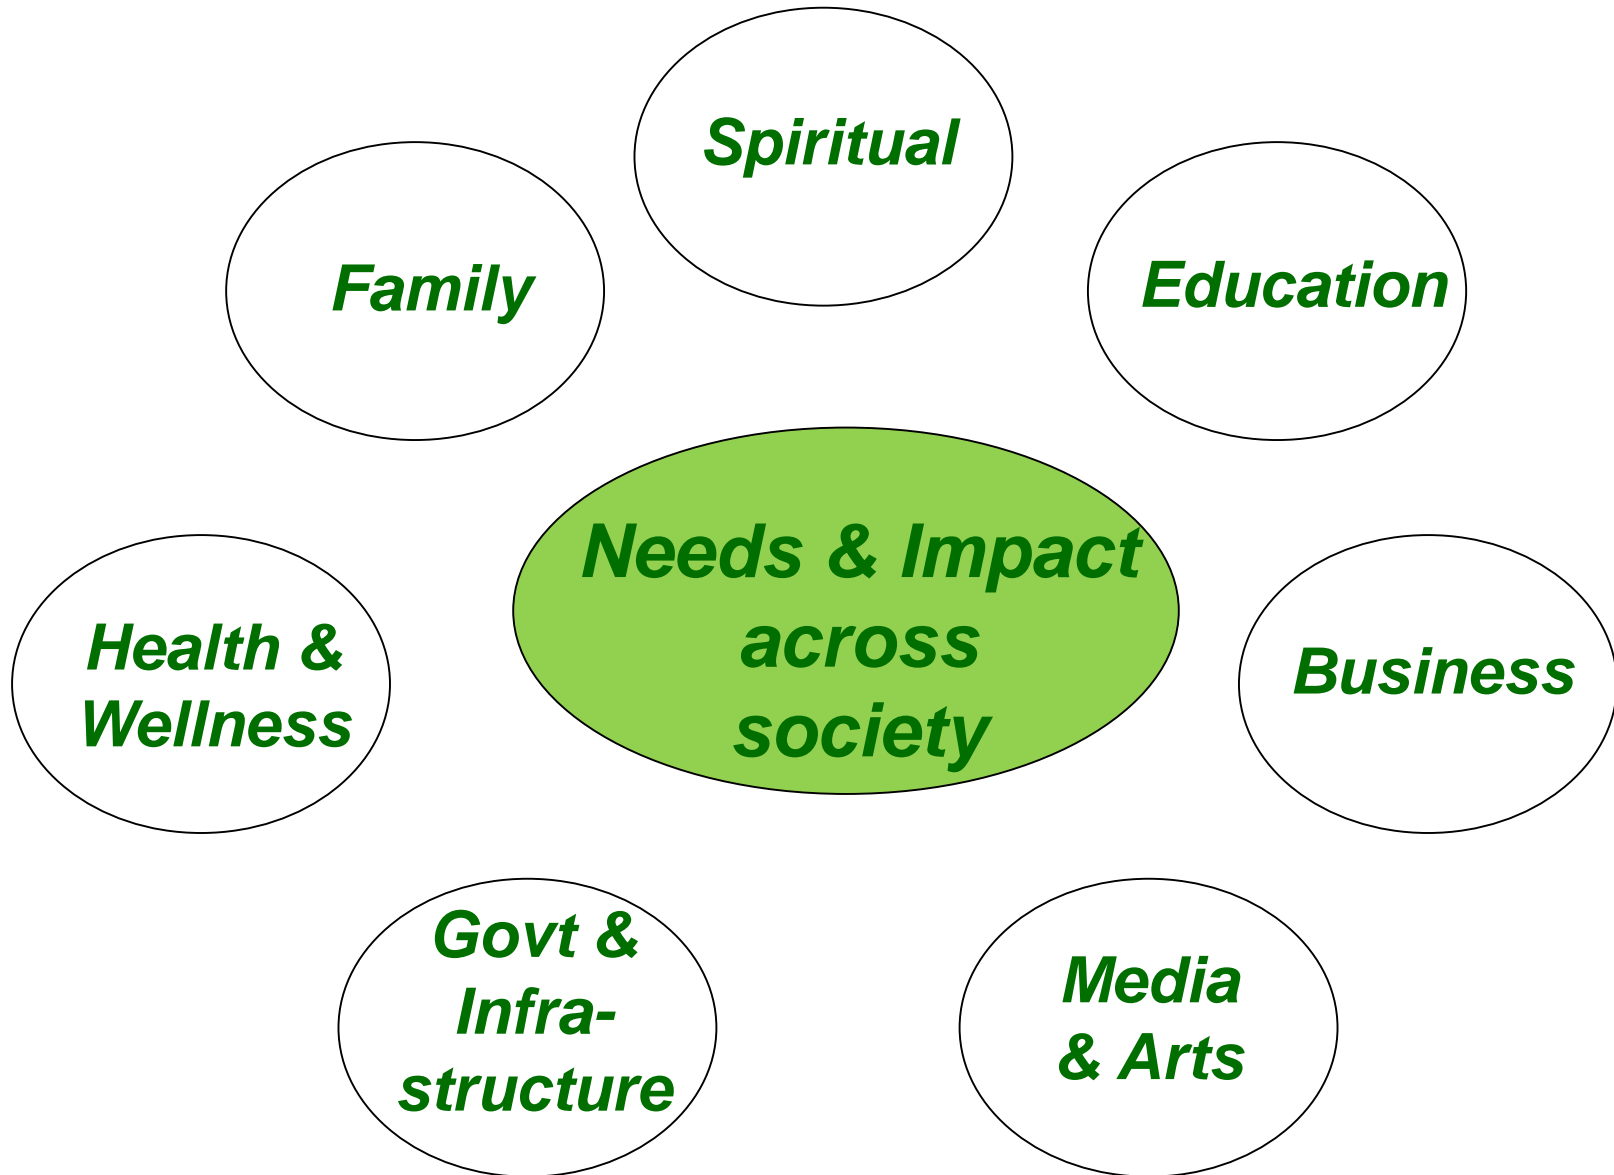

Our local presence is showing that SA society remains broken & divided and that the Life Centre can be a crucial enabler to building and restoring

Community priorities identified:

- Need for safe & welcoming spaces where diverse people can gather
- Inadequacy of support & resources for families, young people & local businesses
- Desire to join with others to share resources with our communities
- Emerging & authentic model of church which builds bridges & is relevant to our context

What impact will the Life Centre make?

What will the Life Centre look like?

Flexible & Multifunctional:

Ground Floor:

Welcome, Resource & Education
& play facilities

1st Floor:

Life Café & Auditorium

Attic:
